

About FSTA

FirstServe Tennis Academy (FSTA) is Northern Virginia's leading outdoor tennis management company dedicated to offering high-quality tennis programs in a fun, friendly and supportive environment featuring small class size. FSTA provides comprehensive, customized tennis program management for public and private facilities, offering group and private lessons, camps & clinics, after school & enrichment programs, team coaching, managed play, leagues, tournaments and special events/socials to municipalities, schools, swim & tennis clubs, residential communities, homeowners' associations, and corporations. FSTA's mission is to bring friendly, fun and supportive high-quality tennis programming to everyone, everywhere!

Founders, Gregg Deinhart and Stephan Schlagenhauff, USPTA and Easitennis certified instructors, combined their 40+ years of tennis experience to establish FSTA; at its core, a tennis school whose hallmarks of small class size and high-quality, supportive instruction are dedicated to creating an optimal learning environment. Deinhart and Schlagenhauff met in 1988 as tennis instructors for the Town of Amherst (NY) Recreation Department, a top-notch municipal program in which Deinhart served as supervisor from 1985 to 1991. During this time, the program grew from 400 to 1,500+ students and became a model for other public programs across Western New York. Each season we have the privilege of sharing in the development of so many wonderful tennis students. They continue to impress us with their improvement, dedication and enthusiasm. We strive to create an environment in which they can quickly learn and improve their tennis skills.
